

# GOVERNMENT AGRICULTURE SCHEMES

India + Tamil Nadu | RAG Knowledge Base | Updated for project use in 2026

**Purpose:** This document is designed for an Agricultural Assistant chatbot. It covers income support, insurance, credit, irrigation, machinery, horticulture, soil, organic/natural farming, marketing, FPOs, infrastructure, renewable energy and several less commonly surfaced schemes.

**Important:** Eligibility, subsidy amount, application window, notified crop/area and implementation can change. The chatbot should verify the latest official portal, Government Order or district notification before giving a definitive amount, deadline or eligibility result.

## 1. PM-KISAN — Pradhan Mantri Kisan Samman Nidhi

Income support for eligible landholding farmer families. The official portal currently states ₹6,000 per year in three equal instalments, subject to exclusions; eKYC is mandatory for registered farmers.

**Who/when to ask:** Who may ask: landholding farmers seeking direct income support.

Official: <https://pmkisan.gov.in/>

## 2. PMFBY — Pradhan Mantri Fasal Bima Yojana

Crop insurance for notified crops, areas and risks. Useful when a farmer asks about crop loss from specified natural risks and insurance coverage.

**Who/when to ask:** Ask: state, district, crop, season, notified area and enrolment status. Never promise a claim.

Official: <https://pmfby.gov.in/>

## 3. RWBCIS — Restructured Weather Based Crop Insurance Scheme

Weather-index insurance implemented for notified crops/areas under the government insurance framework. Relevant for farmers asking about weather-linked crop protection.

**Who/when to ask:** Eligibility and notified weather parameters are season/state specific.

Official PMFBY portal: <https://pmfby.gov.in/>

## 4. KCC — Kisan Credit Card

Institutional agricultural and allied-activity credit through eligible banks/lenders. Useful for cultivation working capital and eligible allied activities.

**Who/when to ask:** Ask crop/activity, land/tenancy status, bank relationship and current lender rules.

Official information: <https://www.pmkisan.gov.in/>

## 5. MISS — Modified Interest Subvention Scheme

Interest-subvention framework associated with short-term agricultural credit, including KCC-linked lending, subject to current government and banking rules.

**Who/when to ask:** Do not state an interest rate without checking the current year's official notification.

Official source: <https://agriwelfare.gov.in/>

## 6. AIF — Agriculture Infrastructure Fund

Financing support for eligible agriculture infrastructure projects. Relevant to warehouses, post-harvest infrastructure and other eligible projects.

**Who/when to ask:** Useful for farmer groups, FPOs, agri-entrepreneurs and eligible infrastructure projects.

Official: <https://agriinfra.dac.gov.in/>

## 7. PMKSY / PDMC — Per Drop More Crop

Promotes efficient irrigation, especially micro-irrigation such as drip and sprinkler, and fertigation where applicable.

**Who/when to ask:** State implementation determines subsidy pattern and eligible components.

Official: <https://pmksy.gov.in/>

## 8. Soil Health & Fertility / Soil Health Card

Provides soil nutrient information and guidance for balanced fertilizer use. Soil testing can support better nutrient decisions.

**Who/when to ask:** Ask for soil-test result, crop and stage before suggesting nutrient correction.

Official: <https://soilhealth.dac.gov.in/>

## 9. SMAM — Sub-Mission on Agricultural Mechanization

Supports agricultural mechanization through programmes that can assist access to farm machinery and equipment, subject to state implementation.

**Who/when to ask:** Ask machinery type, farmer/group status and state/district.

Official source: <https://agriwelfare.gov.in/>

## 10. MIDH — Mission for Integrated Development of Horticulture

Supports horticulture development across fruits, vegetables, flowers, spices, plantation crops and related infrastructure through approved components.

**Who/when to ask:** Especially relevant to horticulture farmers, nurseries, protected cultivation and post-harvest activities.

Official source: <https://midh.gov.in/>

## 11. NFSNM — National Food Security & Nutrition Mission

Supports productivity and production of selected food crops and nutrition-oriented agricultural development through state programmes.

**Who/when to ask:** Coverage and components vary by crop and state.

Official source: <https://agriwelfare.gov.in/>

## 12. NMEO — National Mission on Edible Oils

Includes national programmes for edible-oil crops, including Oil Palm and Oilseeds, aimed at increasing domestic edible-oil production.

**Who/when to ask:** Relevant when farmers ask about oil-palm/oilseed diversification or support.

Official source: <https://agriwelfare.gov.in/>

## 13. NMNF — National Mission on Natural Farming

Promotes natural farming practices, farmer capacity building, local bio-input systems and reduced dependence on synthetic external inputs.

**Who/when to ask:** Useful for farmers exploring natural farming; implementation is programme/location dependent.

Official source: <https://agriwelfare.gov.in/>

## 14. PKVY — Paramparagat Krishi Vikas Yojana

Promotes organic farming through cluster-based approaches and support for organic production systems.

**Who/when to ask:** Relevant to farmers/collectives planning organic production and certification-related pathways.

Official source: <https://agriwelfare.gov.in/>

## 15. NBHM — National Beekeeping & Honey Mission

Supports scientific beekeeping, honey and related value-chain development.

**Who/when to ask:** Useful for farmers asking about beekeeping as an allied activity or diversification option.

Official source: <https://agriwelfare.gov.in/>

## 16. National Bamboo Mission

Supports bamboo development, planting material, cultivation and value-chain activities under the national bamboo programme.

**Who/when to ask:** Relevant to bamboo growers, nurseries and value-chain enterprises; verify state implementation.

Official source: <https://agriwelfare.gov.in/>

## 17. Agroforestry Programme

Supports integration of trees with agriculture and development of tree-based farming systems under relevant national programmes.

**Who/when to ask:** Useful for farmers asking about tree + crop systems; species and local rules matter.

Official source: <https://agriwelfare.gov.in/>

## 18. Rainfed Area Development (RAD)

Supports integrated farming and risk reduction approaches in rainfed areas, depending on state implementation.

**Who/when to ask:** Relevant to rainfed farmers seeking diversification and resilience.

Official source: <https://agriwelfare.gov.in/>

## 19. Crop Diversification Programme (CDP)

Supports diversification away from high-water or regionally concentrated cropping patterns where the programme is implemented.

**Who/when to ask:** Ask state, district and current target crops before advising.

Official source: <https://agriwelfare.gov.in/>

## 20. Integrated Scheme for Agricultural Marketing (ISAM)

Supports agricultural marketing infrastructure and market-related development through approved components.

**Who/when to ask:** Relevant to storage, market infrastructure and producer groups depending on component.

Official source: <https://agriwelfare.gov.in/>

## 21. e-NAM — National Agriculture Market

Electronic market platform connecting participating APMC markets and supporting transparent price discovery, broader buyer access and electronic payment.

**Who/when to ask:** Ask commodity, nearby participating market and registration status.

Official: <https://www.enam.gov.in/>

## 22. FPO Promotion — Formation & Promotion of 10,000 FPOs

Supports formation and development of Farmer Producer Organisations, improving collective input purchase, aggregation, processing and market access.

**Who/when to ask:** Relevant to groups of farmers rather than only individual farmers.

Official source: <https://agriwelfare.gov.in/>

## 23. AgriSURE — Agri Fund for Start-Ups & Rural Enterprises

Fund-oriented initiative supporting eligible agri and rural enterprises/start-ups through financing ecosystem mechanisms.

**Who/when to ask:** Useful for agri-entrepreneurs, technology ventures and rural enterprises; verify current fund windows/instruments.

Official source: <https://agriwelfare.gov.in/>

## 24. Namo Drone Didi

Supports women SHGs associated with drone-based agricultural service delivery, including potential drone services for farmers under the programme framework.

**Who/when to ask:** Not a generic individual-farmer subsidy; eligibility is programme-specific.

Official source: <https://agriwelfare.gov.in/>

## 25. PM-AASHA — Pradhan Mantri Annadata Aay SanraksHan Abhiyan

Price-support/market-intervention framework covering approved components for specified commodities and circumstances.

**Who/when to ask:** Relevant to farmers asking about price support; commodity and procurement arrangements must be checked for the current season.

Official source: <https://agriwelfare.gov.in/>

## 26. PM-KMY — Pradhan Mantri Kisan Maan Dhan Yojana

Pension-oriented social-security scheme for eligible small and marginal farmers, subject to age, contribution and other scheme conditions.

**Who/when to ask:** Ask age and eligibility before explaining enrolment.

Official source: <https://agriwelfare.gov.in/>

## 27. Digital Agriculture Mission

Builds digital agriculture infrastructure and data-enabled services to improve farmer-facing agricultural systems.

**Who/when to ask:** Relevant to digital farmer services, records and technology-enabled advisories; it is not simply a cash subsidy scheme.

Official source: <https://agriwelfare.gov.in/>

## 28. PM Dhan-Dhaanya Krishi Yojana

A newer agriculture-development programme listed among Department of Agriculture & Farmers Welfare programmes; implementation and district focus should be checked against current official guidance.

**Who/when to ask:** Potentially relevant to farmers in selected focus areas; do not assume universal eligibility.

Official source: <https://agriwelfare.gov.in/>

## 29. Mission for Atmanirbharta in Pulses

Programme focused on strengthening pulse production and self-reliance in pulses.

**Who/when to ask:** Relevant to pulse growers and diversification planning; crop/state components should be verified.

Official source: <https://agriwelfare.gov.in/>

## 30. Tamil Nadu — National Horticulture Mission (NHM)

Tamil Nadu Horticulture Department lists NHM among its schemes for horticulture development.

**Who/when to ask:** Relevant to horticulture farmers; exact components and subsidy norms depend on current Tamil Nadu implementation.

Official: <https://www.tnhorticulture.tn.gov.in/scheme-gos>

## 31. Tamil Nadu — Per Drop More Crop

Tamil Nadu Horticulture Department lists PDMC in its current scheme catalogue.

**Who/when to ask:** Relevant to drip/sprinkler and water-efficiency support; verify current district component and subsidy.

Official: <https://www.tnhorticulture.tn.gov.in/scheme-gos>

## 32. Tamil Nadu — State Horticulture Development Scheme (SHDS)

State horticulture programme with multiple crop/infrastructure components; the department's scheme page also lists Jack Mission and Cashew Board-related GOs.

**Who/when to ask:** Useful for horticulture-specific support in Tamil Nadu; current component availability must be checked.

Official: <https://www.tnhorticulture.tn.gov.in/scheme-gos>

### 33. Tamil Nadu — CM Mannuyir Kaathu Mannuyir Kaappom Scheme

Tamil Nadu Horticulture Department lists this state programme in its scheme catalogue.

**Who/when to ask:** Relevant to farmers asking about soil/land and sustainable agriculture support; verify current components and eligibility.

Official: <https://www.tnhorticulture.tn.gov.in/scheme-gos>

### 34. Tamil Nadu — KAVIADP

Kalaigharin All Village Integrated Agricultural Development Programme, listed by Tamil Nadu Agriculture/Horticulture authorities as a state programme.

**Who/when to ask:** Useful for village-level integrated agricultural development; benefits depend on local implementation.

Official: <https://www.tnhorticulture.tn.gov.in/scheme-gos>

### 35. Tamil Nadu — PM-RKVY / RKVY-DPR

Tamil Nadu lists PM-RKVY projects; current GOs include project-specific support such as horticulture structures and additional support for specified categories.

**Who/when to ask:** Project and year specific; never treat one GO's subsidy as universal.

Official: <https://www.tnhorticulture.tn.gov.in/scheme-gos>

### 36. Tamil Nadu — Nutrition Farming Mission

Listed by Tamil Nadu Horticulture Department among state agriculture/horticulture programmes.

**Who/when to ask:** Relevant to nutrition-oriented farming and horticulture; verify current implementation details.

Official: <https://www.tnhorticulture.tn.gov.in/scheme-gos>

### 37. Tamil Nadu — FPO/FPC support

Tamil Nadu Agricultural Marketing & Agri-Business describes Mezzanine Capital Assistance, Credit Guarantee Scheme and Revolving Fund Support for eligible FPCs, implemented with NABKISAN.

**Who/when to ask:** Useful for farmer groups seeking collective finance and market infrastructure.

Official: <https://www.agrimark.tn.gov.in/Infra/fpo>

# RAG QUERY ROUTING GUIDE

| Farmer query intent                       | Documents/schemes to retrieve                         |
|-------------------------------------------|-------------------------------------------------------|
| Income / cash support                     | PM-KISAN; PM-KMY                                      |
| Crop loss / weather damage                | PMFBY; RWBCIS; Agriculture Guidelines                 |
| Crop loan / working capital               | KCC; MISS                                             |
| Drip / sprinkler / water efficiency       | PDMC / PMKSY; Tamil Nadu horticulture schemes         |
| Farm machinery / equipment                | SMAM; state agriculture mechanization programmes      |
| Fruit / vegetable / protected cultivation | MIDH; Tamil Nadu NHM/SHDS/PDMC                        |
| Organic / natural farming                 | PKVY; NMNF; Soil Health & Fertility                   |
| Soil testing / fertilizer decision        | Soil Health & Fertility / Soil Health Card            |
| Bee keeping / allied activity             | NBHM                                                  |
| Bamboo farming                            | National Bamboo Mission                               |
| Tree + crop farming                       | Agroforestry                                          |
| Rainfed diversification                   | RAD; Crop Diversification Programme                   |
| Market access / price discovery           | e-NAM; ISAM; PM-AASHA where applicable                |
| FPO / collective marketing                | 10,000 FPO scheme; Tamil Nadu FPO/FPC support         |
| Agri start-up / rural enterprise          | AgriSURE; AIF where infrastructure is eligible        |
| Drone services                            | Namo Drone Didi / relevant state programmes           |
| Tamil Nadu village-level support          | KAVIADP; Tamil Nadu department/district notifications |

Recommended chatbot rule: before answering scheme questions, ask for **state + district + farmer category/land status + crop/activity + support needed + season**. Then retrieve the relevant scheme chunks. For money, dates, eligibility and application steps, verify the latest official source.

Primary current source set used: Government of India/PIB agriculture scheme lists and official Tamil Nadu Horticulture/Agricultural Marketing pages. The Government of India's 2026 scheme lists include PM-KISAN, PM-KMY, PMFBY/RWBCIS, MISS, AIF, FPO promotion, NBHM, Nammo Drone Didi, NMNF, PM-AASHA, AgriSURE, PDMC, SMAM, PKVY, Soil Health & Fertility, RAD, Agroforestry, CDP, SMAE, SMSP, NFSNM, ISAM, MIDH, NMEO-Oil Palm/Oilseeds, Digital Agriculture Mission, National Bamboo Mission and other programmes.

■cite■turn0search2■turn0search3■

Tamil Nadu's Horticulture Department currently lists NHM, PDMC, SHDS, CM-MKMKS, KAVIADP, PM-RKVY, Nutrition Farming Mission and Uzhavar Nala Sevai Maiyam among its scheme/GO resources. ■cite■turn0search0■
